

PROGRAMME AMBASSADEUR VERT POUR LE CLIMAT EN AFRIQUE

Dans le cadre de son "programme Ambassadeur Vert pour le Climat en Afrique", Climate Change Africa Opportunities (CCAO) a créé et coordonne ce vaste réseau panafricain CCAO Network réunissant actuellement 54 points focaux nationaux et 1404 jeunes Ambassadeurs Verts pour le climat impliqués dans les actions de plaidoyer et d'adaptation au changement climatique et qui travaille avec des partenaires, des institutions gouvernementales et des organisations de base et des communautés autochtones et locales pour mettre en œuvre beaucoup d'initiatives intelligentes face au climat et influencer les politiques pertinentes pour aider à construire des communautés résilientes tout en soutenant les initiatives autochtones et technologiques en Afrique.

CONTEXTE DU PROGRAMME

Ils sont nombreux, mais, souvent non ou peu encouragés, valorisés et connus dans leurs pays et en Afrique, ces jeunes qui inspirent d'autres jeunes et membres de leurs communautés à agir en tant qu'agents du changement face au changement climatique, ces jeunes qui utilisent leurs potentiels, leurs capacités intellectuelles et leurs capacités de mobilisation sur des questions sensibles telles que celles liées aux défis climatiques et à la protection de l'environnement, ces jeunes qui restaurent et assurent la meilleure préservation de leur patrimoine forestière et écologique, ces jeunes qui assurent la promotion de l'économie verte en adoptant des comportements de réduction des émissions de gaz à effets de serre, ces jeunes qui démontrent à travers leurs actions (individuelles ou associatives) qu'ils ont un rôle important à jouer dans l'action contre les changements climatiques, ces jeunes qui sont souvent présents et actifs lors des négociations et rencontres climatiques, ces jeunes qui sont sur le terrain et qui mènent des actions d'adaptation et d'atténuation au changement climatique et qui s'engagent à poursuivre activement l'accompagnement de leurs communautés dans la transition vers des modes de vie hautement résilients et sobres en carbone en Afrique.

OBJECTIF DU PROGRAMME

Le programme "Green Ambassador for the climate in Africa" est un programme panafricain très compétitif mis en place par Climate Change Africa Opportunities (CCAO) avec comme objectif d'identifier, encourager valoriser et mettre en réseau les jeunes activistes exemplaires pour le climat en Afrique en vue de les accompagner et les encourager à demeurer pro actifs sur l'impératif mondial de lutte contre le changement climatique.

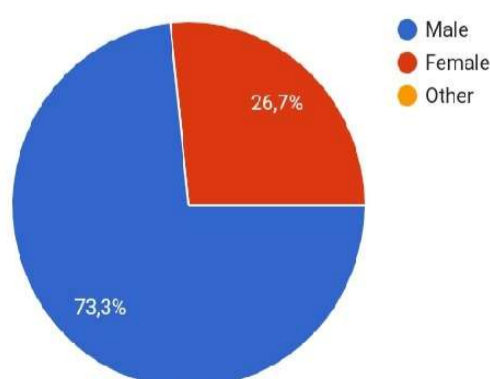

RESULTATS / AVANTAGES DU PROGRAMME

Ce programme facilite et contribue à la mobilisation, à l'encouragement et à l'accompagnement des jeunes africains activistes du climat primés au titre des Ambassadeurs Verts pour le climat en Afrique. Leurs actions et initiatives d'atténuation et d'adaptation au changement climatique sont réalisées en Afrique et identifiées (par ce programme), appréciées, mise en valeur et encouragées par une reconnaissance internationale certifiée pour ces nobles services rendus dans le domaine de protection de l'environnement et la lutte contre le changement climatique en Afrique. Les réalisations des Ambassadeurs Verts pour le climat en Afrique sont également diffusées et mises en exergue dans les plates-formes de communication de Climate Change Africa Opportunities (CCAO) et ses partenaires. Les Ambassadeurs Verts rejoignent en fin le Réseau Climate Change Africa Opportunities (CCAO) et bénéficient des opportunités pour partager des idées, apprendre, se connecter et agir sur l'impératif mondial de lutte contre le changement climatique. Ils ont la chance de participer aux activités de Climate Change Africa Opportunities (CCAO) et ses partenaires dans leurs pays respectifs et en Afrique.

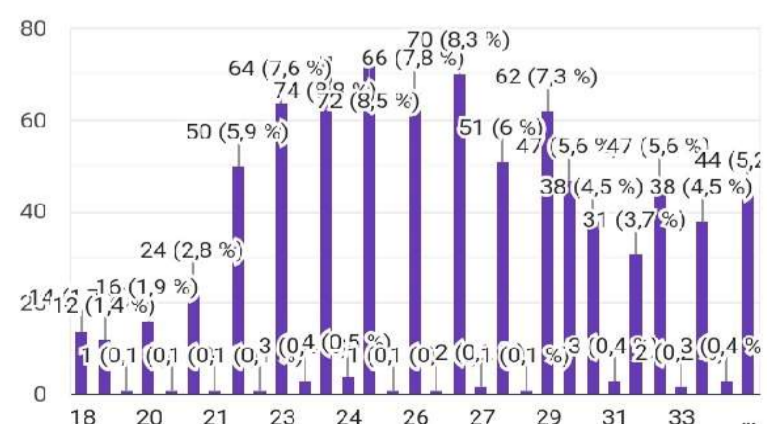

LISTE DES AMBASSADEURS VERTS POUR LE CLIMAT EN AFRIQUE - CCAO 2020
